TERMS AND CONDITIONS:

Payment is per session and is non-refundable.

Before taking part in a Lanivet Pandas Netball session, participants are required to complete the registration form which will remain valid for all or any matches and sessions.

Participants are required to ensure that they do not pose any potential risk to fellow participants and Lanivet Pandas Netball reserves the right to refuse a persons' participation if they are unable or unwilling to make the advised adjustments.

In particular, participants are asked to ensure that nails are short and smooth, wear appropriate clothing and suitable footwear, all jewellery is removed and head coverings should be unembellished and secured to ensure there is no potential hazard.

Participants are asked to read the Code of Conduct for all those attending a session or match whether on court or the side-line. Our Code of Conduct which can be found here

<https://www.lanivetparishcommunitycentre.co.uk/pandas...>

Participants are bound by the standards set out therein, whilst taking part in the sessions. Breach of the Code may result in removal from the session/programme/match/club and members may also be subject to Disciplinary Procedures.

We also would like participants to attend sessions regularly as there is a waiting list and we are obliged to control numbers for Health & Safety reasons. With this in mind, we please ask that participants are not absent from any sessions for more than an eight week period without prior arrangement. During your time as a participant, you will be given access to the netball club private Facebook group. This group often contains information and data of a personal nature and as such we ask that you treat the contents with sensitivity.

As an organisation, we are a data controller and have a responsibility to manage your data securely to the best of our abilities. If your membership of the club is suspended or under review, you will also have your membership of the private Facebook group removed for the duration. We do not endorse you being a member of another netball club that is in direct competition with us as we believe that this creates a strategic vulnerability for our members and also creates a data protection risk for people who have access to this Facebook group.

If you have any issues or concerns or wish to make a complaint, please email pandacommittee@gmail.com in the first instance if it is outside of your session time. If it is during your session time, please speak to your session host or a club official/committee member. Please do not contact individual officers of the club with direct messages or emails, we will reply to you from the committee email.

All participants are asked to participate in the sessions/match in a safe and sporting manner and with due regard for the safety of their fellow participants.
